Summer Biathlon Matches

Match Description: Each of these events will be a 1 day match. Summer Biathlon is the warm-weather version of the Winter Olympic sport of biathlon. Our Summer Biathlon events combine running and rifle marksmanship. Note that the rifle is NOT carried in summer events. The rifles will be racked at the range with chamber/barrel indicators inserted.

Course Description:

The course is divided into four segments, with three stops at the range.

- Run 1K to 2K
- Enter the Range and Shoot 10 Shots in the Prone Unsupported.
- Run 1K to 2K
- Enter the Range and Shoot 10 Shots in the Standing Unsupported.
- Run 1K to 2K
- Enter the Range and Shoot 10 Shots in the Kneeling Unsupported.
- Run 2K to the finish line.

Your time will be based on how long it took you to run and shoot the entire event plus a credit of 15 seconds for each hit for prone and kneeling and a 30 second credit for each standing hit. Winner will be based on the fastest time.
